REFERENCE: FOIA Request: 12-ARC-F-00774

Dear Shawn Musgrave,

This responds to your Freedom of Information Act request and constitutes the final determination on behalf of the National Aeronautics and Space Administration (NASA). Your FOIA request was originally sent to NASA HQ on July 31, 2012, then received in our office on August 03, 2012, and assigned Case File Number 12-ARC-F-00774.

Your request was for:

1. All documents related to the "UAV Alliance, Research and Curriculum Development Partnership Project," including emails, memos, reports and contracts.

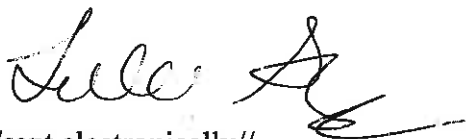

A complete and thorough search was conducted, and from that search, no NASA records were found responsive to your request.

In accordance with 14 CFR § 1206.203 and Department of Justice Guidance, the Agency is not required to create or compile a record in response to a FOIA request. The Act applies only to records in the possession and under the control of the Agency and in existence at the time the Agency begins its search for responsive documents.

You are advised that you may appeal this initial determination to the NASA Administrator. Your appeal must (1) be addressed to the Administrator, NASA HQ, Mail Stop: FOIA, Room 9J74, 300 E Street, SW, Washington, D.C. 20546; (2) be identified clearly on the envelope and in the letter as an "Appeal under the Freedom of Information Act", (3) include a copy of the request for the agency record and a copy of the contested initial determination; (4) state, to the extent possible, the reasons why you believe the initial determination should be reversed; and (5) be sent to the Administrator within 30 calendar days of the date of the receipt of the initial determination.

Fees for processing your request were waived in this case. Fees are waived on a case-by-case basis, therefore, you may be charged for processing any future requests. If you have any questions regarding your request, please contact Lubna Shirazi at 650-604-1138, or email at Lubna.M.Shirazi@nasa.gov.

Cordially,
